SUPPORTS FOR LIVING

Rewarding lives. Healthy communities.

The Middletown and Newburgh **HEALTHY FAMILIES** program

**Now providing services in
Port Jervis, New Windsor, and Walden**
**See below for details*

Almost everyone knows that being a parent is an important job... and almost everyone can use a little guidance.

Our home visitors bring a lot of knowledge and a great attitude to working with you and your family members.

- Stay healthier and feel better while you're expecting.
- Learn how your baby develops before birth and afterward.
- Get the right care for you and the baby.
- Understand how to respond to your baby's cues, such as crying and fussing.
- Make being a parent fun, from feeding to bath time.
- Focus on your own goals, from education and work to being the best parent you can be!

* Pregnant women and families with children under three months, living in the Middletown 10940, 10941, Port Jervis 12771, Newburgh 12550, New Windsor 12553, and Walden 12586 zip codes may apply.
