

Training and Staff Development Specialist Healthy Families New York (HFNY) – NYC Metro area

Prevent Child Abuse New York is currently seeking candidates located in the NYC Metro area who also meet the following **Healthy Families America (HFA) Trainer Candidate Requirements** to fill the Training and Staff Development Specialist (HFNY) position:

- 1) A minimum of one year of experience as a supervisor or program manager in an HFA program,
- 2) Previous experience conducting training in a group setting and knowledge of adult learning principles,
- 3) Working knowledge of infant mental health, early brain development, childhood maltreatment, family dynamics and prevention approaches,
- 4) Have understanding of, and experience working with culturally diverse families with myriad of strengths and challenges.

This position provides training and quality assurance/technical assistance and site support to Healthy Families New York (HFNY) home visiting programs throughout the state, assists with curriculum development and will establish and maintain relationships with assigned HFNY sites and partners.

With a large population of HFNY programs located in and around New York City, the candidate must have experience working in the New York metropolitan area and will be remotely located there. In addition, candidates must have a bachelor's degree in Early Childhood or Human Service related field. A successful candidate will demonstrate excellent leadership, communication, writing, and training skill sets. Fluency in Spanish is preferred. The position is full time, exempt. Multi-day statewide travel required.

This position is open until filled.

Qualified candidates, please provide cover letter describing above experience and resume to:

Prevent Child Abuse New York, a state chapter of Prevent Child Abuse America, is on the forefront of a growing movement to stop child abuse and neglect before it has a chance to start. We serve as a resource for parents and families, connecting them with help, support and resources. We advocate for programs and policies that support families and prevent abuse. We foster a statewide network of individuals and organizations committed to prevention. PCANY is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.
