

Employment Opportunity

Location of Job:	Schenectady, NY.
Employer:	Cornell Cooperative Extension, Schenectady County
Program Name:	Healthy Schenectady Families Program
Job Title:	Supervisor
Description of Duties:	The Healthy Schenectady Families Supervisor works to improve healthy family and parenting choices among eligible families and individuals in Schenectady County. The Supervisor also helps plan and manage the program and provides strength-based supervision to assigned staff. As part of the Healthy Families New York and Healthy Schenectady Families Programs, this position works closely with the team of educators and other supervisors to promote the well-being of parents, children and families through the use of existing evidence-based health education and parenting curricula delivered through home visits and by the supervision of others performing similar work. Positive, persistent and individualized outreach from the educator keeps families involved in the program and leads to improved outcomes for children, parents, and the community.
Hours:	35 hours/week, typical Monday-Friday 8:30 AM-4:30 PM
Salary:	\$28/hour
Minimum Requirements:	<ul style="list-style-type: none"> • Master's degree. A Bachelor's degree plus 4 years transferrable relevant evidence-based research experience may substitute for a Master's degree.
Preferred Requirements:	<ul style="list-style-type: none"> • Supervisory experience or providing leadership and guidance to others. • Ability to speak, read and write proficiently in the Spanish language, or other non-English language as is spoken in the target community.
